## Be Bold. Be Unique. Be Unforgettable.

This eye-catching collection is unmatched in depth, clarity and colour-fueled design options. Add brilliance and create dramatic mood settings using colours and designs only imagined in the past.

Applications for STUDIO Collection® include, but are not limited to:

- Partitions and Wall Art
- Back-lit Bar Tops
- Furniture
- Store Fixtures
- Cash Wraps

Avonite Surfaces® Acrylic Solid Surface is available in 1/2 inch (12mm) thickness for all colours shown. It is also available in 1/8 inch (3mm) and 1/4 inch (6mm) thicknesses in a selection of colours.

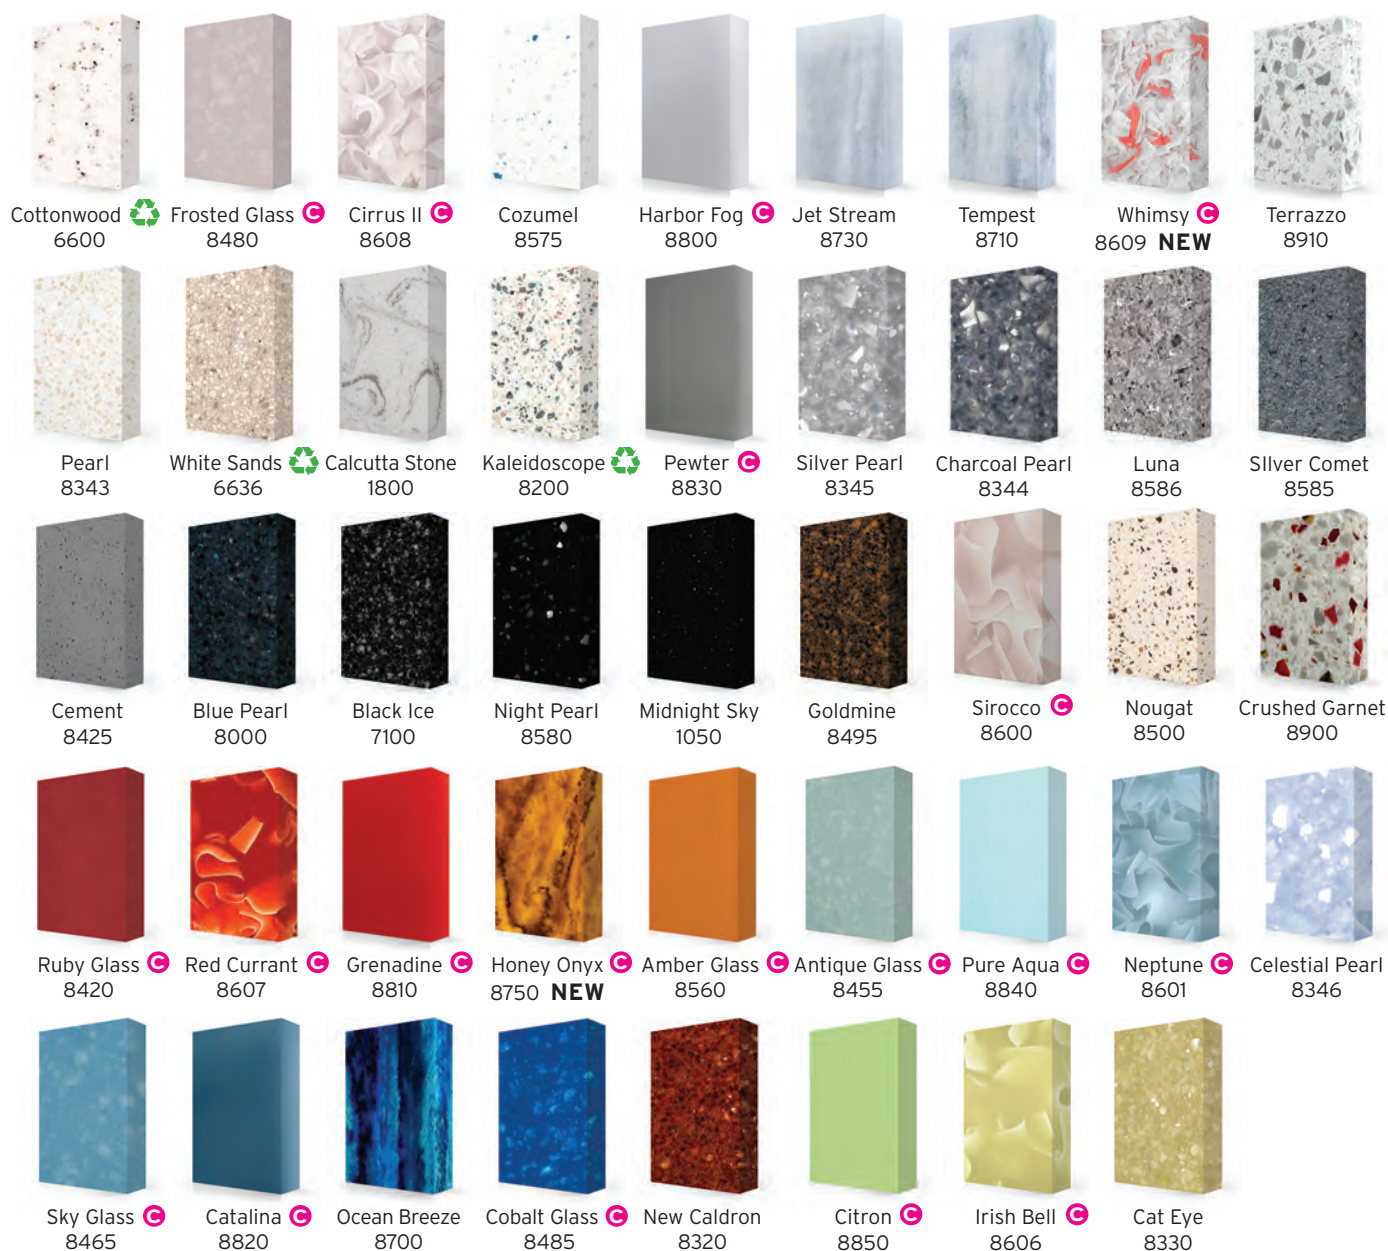

Custom lengths, widths and thicknesses are available for Avonite Surfaces® Acrylic Solid Surface through our Right Size™ program. *Minimum sheet orders apply.* Right Size™ not available for the STUDIO Collection®.

Dark colours require more maintenance. These selected colours are heavily pigmented and show scratches, dust, haziness and ordinary wear/tear more

easily than lighter colours. These colours are not recommended for applications that will be subject to heavy use or horizontal application use. Therefore, these colours will not be covered under the Avonite Surfaces warranty in relation to claims for scratches due to ordinary wear/tear.

Sheets are supplied with factory finish. Final finish determined at time of specification and fabrication.

Contains Recycled Content.

## STUDIO

COLLECTION™

A BRAND OF ARISTECH SURFACES LLC

### Chromatix™

- Now you can get our STUDIO Collection® Petals, Glass, Sea Glass Series or Whimsy Series in your choice of any colour. (6 sheet minimum order)

STUDIO Collection® is available in 12mm only and not available for the RIGHT SIZE™ Program.

Lighting for translucent products, whether ambient lighting or backfill, can produce a variety of colour effects depending on the light source (fluorescent, daylight, LED, etc.) and light temperature. The preferred type of lighting used will depend on the desired end result and should always be tested before final installation.

STUDIO Collection® products are not intended for exterior use.

## Right Width - Right Length Right Thickness - Right Size™.

Eliminate waste, cut costs and save labour.

- Avonite Surfaces® Acrylic Solid Surface has the broadest range of solid surface designs and dimension options in the world.
- Widths up to 60 inches reduce or eliminate seaming time, compared to competitors' 30 inch width sheets.
- Available in multiple thicknesses to ensure your needs are covered.
- Enables you to minimize waste, reduce fabrication time and maximize efficiency.

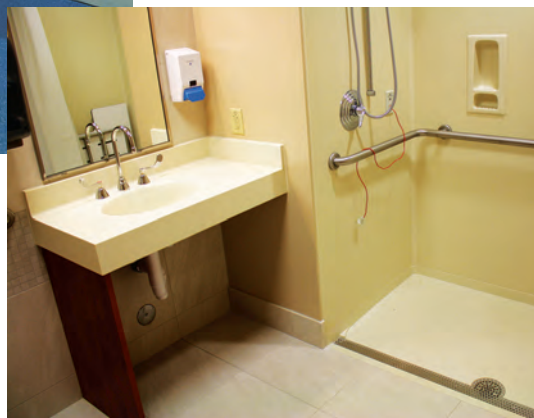

Right Size™ is not available for the STUDIO Collection®

## Your Shower. Your Way.

Complete Shower Systems give you the perfect solution for your bathroom design projects.

When you choose our highly customizable shower bases, paired with our Wet Wall panel system, and bathroom accessories, you get the flexibility and performance you expect from Avonite Surfaces® Acrylic Solid Surface.

# The Chromatix™ Program. Clearly Colourful.

Customize your designs with our STUDIO Collection® Glass, Petals, Frosted Glass or Whimsy series in your choice of custom colours. There are no boundaries when it comes to the endless combinations of colour and light that can make your design breathtaking and memorable.

Share your vision with your customers and help them make a powerful statement in their space, with no premium upcharge. Pick any Pantone colour or simply provide a colour sample, choose your translucent series, and get up to 2 free sample iterations for review.
